

## International Conference on Climate Action

Local Governments Driving Transformation  
*Kommunen gestalten die Zukunft*

Hanover, 1. – 2. October

Rapporteur

**Feres Mezghani**

*Project Assistant, adelphi*

Feres Mezghani is a project assistant at adelphi who currently works with the energy-team on a study on promotional schemes for demand-side energy efficiency. Prior to this he gained practical experience in municipal climate protection in Denmark, assisting at the implementation of a Frontrunner strategy for the reduction of CO<sub>2</sub>.
