

## International Conference on Climate Action

Local Governments Driving Transformation  
*Kommunen gestalten die Zukunft*

Hanover, 1. – 2. October

CV – Facilitation

Workshop 3: Taking Climate Action

### Stefanie Schäfter

***Research associate at the German Institute of Urban  
Affairs (Difu)***

*M.A. Public and private environmental management, B.A.  
European studies*

Stefanie Schäfter works at Difu in Berlin on the project of the service and competence centre for municipal climate action. Her work focuses on strategic consulting, as well as the conception and hosting of events and dialogue processes. Previously she worked for the political consultant institute adelphi in the fields of local climate action and international resource governance.
